

TECHNICAL RIDER - NIVIS

GENERAL Hi there! We are Nivis.
 We are 4 musicians. We come to the venue in 2 cars and need parking nearby.
 Setting up our equipment and light and line check will take about 30 min.
 Stage dimensions: min. 5m x 2,5m
 Solid PA system with powerful bass required

MIX 16 channels (ideally), 3 AUX (pre)
 We need a sound engineer

MON 3 monitor mixes (ideally)
 In-Ear Stereo Jack

LIGHT We have our own onstage light setup
 In addition we require

- either subtle stage lighting
- or a lighting technician, who adapts our cue list

VISUALS As Nivis strongly depends on visuals,
 we need a Full HD Beamer and a Screen (min. 3mx2m)

MERCH We have a little suitcase for selling merch
 We would be very grateful if you could provide a table to place our merch

BACKSTAGE 1 Beverage Crate of Mineral Water (medium)
 1 Beverage Crate of mixed Sodas
 1 Beverage Crate of local Beer
 1 Bottle of Jameson Whiskey
 Food for 4 Persons (3 Vegetarians)
